Tommy Privet

Third Jumpstart

Food Choices Matter

Low-Carb Diet

Because It Shows Improved Metabolic Health and I've Been Testing for 26 Years We've Tested Millions of People and I've Never Seen Results like this in Six Months We Completed Five Jump-Starts each One Larger than the One before Ending with a Final Group of a Hundred and Thirty People Feeling Confident I Decided To Take these Results Back to Kentucky To Re-Engage with the Folks Who Thought They Had Killed Our Idea of a Pilot Project We Have Been over a Dozen Blocks without Seeing a Single Grocery Store That's Why So Many of Our People Are Not Able To Get Good Produce What's Your Healthiest Meal They Want To Support Local Farmers those Values Are Very Very Deeply Intertwined within the Consumers and the Hundred Farmers That I Work with Personally Are Very Aware that the New Trends in Healthier Eating Are Directly Supporting Their Farm so Vegetable Farming Is Much More Accessible for Small and New and Young Farmers To Get into if They Have the Support of a Regional Aggregator Food Hub Then They They Can Likely Even Sustain Their Family on Just You Know Ten or Twenty Acres I

Would Say that over Ninety Percent of the Farms That We Work with Are Making Their Income Fully off of the Farm When You Start To Eat this Way this Is the Kind of Food You Want this Here Is Food as Medicine this Is Food That's Grown Chemical Free It's Not Genetically Modified It's Picked When It's Right This Would Be an Election Issue That Could Knock Them Right out of the Box There Wasn't any Money Attached to It It Was Just a Paragraph on a Resolution and Yet They Couldn't Even Vote in Favor of that Well the Truth Is a Stubborn Thing It Doesn't Go Away Yeah When I Was Looking at this I Had To Make a Choice so I Can't Dig in Deeper To See if It's Really True I Got To Give My Father Credit for that because He Basically Said Whatever You Do in the Future Never Forget Tells the Truth Always Mm-Hmm and So They Asked Mom Are We Willing To Live in a Double-Wide Trailer

If I Had To Tell Something That Wasn't Quite Right To Give It a Different Sort of Cast Someone Cares the Different Light on It Why Wouldn't It I Would Never Feel Free from My Own My Own Sense of Himself I Couldn't Dr Campbell Certainly Has Been a Good Person To Get the Word Out He's Sort of a Johnny Appleseed on Information Getting Getting It out There Spreading the Good Word and He Certainly Got My Attention That's the Key Thing Get the Information out the Government Will Be the Last To Get It Politicians Are Followers They Will Follow the Voters

So We'Re Planting a Lot of Seeds We Believe that We Need To Launch a Movement That Engages in Millions of People Everywhere To Fix a Problem that Industry and Government Have Our Seed Created I Hope this Rally Tonight Marks the Beginning of an Organized Movement To Bring About this Change Can We Have an Exciting Vision To Share a Vision of a Plant Pure Nation in this Plant Pure Nation Our Kids Grow Up Full of Health and Life in this Nation We H Brace Fully Not Wasting Away in Illness
